

DKS CONSULTING GMBH

# Integrated Corporate Compliance for a sustainable future

DKS Consulting supports organizations in navigating the increasingly complex regulatory landscape where tax compliance, anti-corruption, anti-money laundering, corporate liability, ESG obligations, and sustainability reporting intersect.

## ABOUT Who we are

[DISCOVER MORE](#)

DKS Consulting is a team of highly specialized professionals led by Marco Letizi, with deep expertise in integrated corporate compliance aligned with sustainability principles.

The team brings together chartered accountants, lawyers, energy and environmental engineers, and agronomists with extensive international experience.

### EU + Global

Advisory for private and public entities across Europe and global markets.

### Our methodology

Integrated legal analysis, risk governance, and digital compliance frameworks.

### Data-driven

Enabled by IoT, edge computing, and blockchain intelligence.
